

THAPAR INSTITUTE
OF ENGINEERING & TECHNOLOGY
(Deemed to be University)

National Assessment and Accreditation Council
(NAAC)

A PARADIGM SHIFT FROM CONTENT BASED TO OUTCOME BASED EDUCATION

National Online Workshop for Higher Educational Institutions

Sponsored by NAAC

26th - 27th August, 2021

Chief Guest

Prof. Anil Sahasrabudhe
Chairman
All India Council for Technical Education (AICTE)

Workshop Overview

The purpose of education is to bring certain desirable changes in the learners with respect to his knowledge, skill, attitude, ethics etc. Similarly, the purpose of assessment is to measure the desired outcomes acquired by the learners during the teaching-learning process. During twentieth century in India, content based education was largely followed and it was found that most of the learners have acquired desired outcomes based on certain competencies apparently but hugely lacking the practical or application oriented skill required by the industry. Therefore, it is highly essential to redesign the curriculum, improving the methodology, quality of teaching and assessment at higher education institutions with reference to their graduate outcomes. This necessitates a paradigm shift from content based to outcome based education (OBE) in twenty-first century.

The objective of this workshop is to create awareness of OBE among the faculty, its importance and its beneficial aspects for students. The proposed workshop will cover all vital aspects of OBE and the participants will be able to develop all the required skills or strategy for effective teaching, learning and assessment which will lead to OBE.

About TIET

THAPAR INSTITUTE
OF ENGINEERING & TECHNOLOGY
(Deemed to be University)

The Thapar Institute of Engineering and Technology (TIET) is one of India's oldest and finest educational institutions, which provides a steady source of highly skilled talent to the nation as well as overseas. Founded in 1956 with a campus spread across sprawling 250 acres, Thapar Institute of Engineering & Technology, located in Patiala, has been a pioneer in engineering education, research and innovation. Our community involves ingenious minds solvers who are eager to make the world a better place to live in with their innovative techniques and discoveries.

Rated amongst the top ranked innovation-driven private universities and technical institutes in the country, Thapar Institute of Engineering & Technology has been accredited with an 'A+' grade by the National Assessment and Accreditation Council (NAAC). We constantly evolve our teaching methods, and provide quality education to our students, whom we see as unique individuals with different interests and aspirations. We keep the quality of our curriculum, faculty and infrastructure unparalleled, and believe in encouraging thousands of young minds to excel in India and abroad. Our alumni have stood out in varied fields such as business and industry, administrative and regulatory services, research and education, and social and human rights organisations.

Program Schedule

All sessions will be held in an interactive online mode.

Time	Program
August 26, 2021	
09.15 – 10.00 A.M	Inauguration by Prof. Anil Sahasrabudhe Chairman, AICTE (Chief Guest)
10.00 – 10.30 A.M	Introduction of TIET, About the program – Dr. Ajay Batish (Deputy Director)
10.30 – 11.45 A.M	Introduction to NAAC Criteria – Dr. Meenakshi Sood
11.45 – 12.00 Noon	Tea Break
12.00 – 01.30 P.M	Outcome based Education – Dr. T.P Singh
01.30 – 02.30 P.M	Lunch
02.30 – 04.30 P.M	Workshop on Outcome based Education – Dr. Sandeep Sharma
August 27, 2021	
10.00 – 11.15 A.M	Seminar on Tools for Online Teaching & Learning – Dr. Vinay Kumar
11.15 – 11.30 A.M	Tea Break
11.30 – 01.30 P.M	Outcome based approach – Dr. Meenakshi Rana
01.30 – 02.30 P.M	Lunch
02.30 – 04.15 P.M	Assessment Methods – Dr. Rajesh Khanna
04.15 – 05.00 P.M	Panel Discussion and Valedictory function

Course Learning Outcomes

- A walk through the process for successful NAAC accreditation.
- Introduction to various NAAC criteria.
- Exercises on outcome based assessment.
- Applications of various pedagogical tools.

Eligibility

- This programme is open to all faculty members of AICTE/UGC recognised Institute/Universities.
- There is **no registration fees** for the participants for this workshop.
- **E-Certificate** will be provided to the participants.

Registration

- **Click the link or scan QR Code for registration.**

<https://forms.gle/FSXbYTRTy9W8UhWF9>

or

Instructions

- **The last date for registration of the workshop is August 16, 2021.**
- Since the seats are limited, the participation will be confirmed on **first come first basis**. Registration will be closed as soon as the seats are filled.
- E-Certificate of completion of workshop will be given only to those candidates who will attend the workshop for full duration.
